

# The PRO-CHECK 724

The leader in one person military electrical and light diagnostics.

Quick, easy and reliable trailer light testing is possible with LITE-CHECK - the leader in economical, technician-friendly test equipment. Our proven electrical test automates your trailer light inspection increasing your efficiency and accuracy in the military field.

The LITE-CHECK 724 directly identifies electrical faults in your 24VDC 12-way 6 circuit equipped military trailer via base unit control and full-function remote control.

This single solution completely automates the process of checking electrical circuits in your trailer. More than an electrical test, the LITE-CHECK 724 makes testing trailer lights on 24VDC military tactical trailer a quick and simple press of a button. There is no easier, more accurate way of testing electrical circuits. When you need a light check, you need LITE-CHECK!

# LITE-CHECK PRO-CHECK 724

## MILITARY TACTICAL TRAILER LIGHT TESTER

**DESCRIPTION:** The **PRO-CHECK 724** is an electronic diagnostic electrical tester for military 24v 12-way trailers operating 6 circuits. (blackout brake, blackout left, blackout right, left turn, tail, and right turn)

The software automatically presents the circuit voltage, amperage, and condition on the easy-to-read digital screen. Circuit faults (open, short, open ground, chassis ground) are displayed along with a unique fault alarm. Software protects vehicle wiring with automatic shutdown with excessive amperage and low voltage.

The **full function remote control** has six circuit keys. The panel membrane switch has the six circuit switches plus an auto circuit test and circuit load test.

- 4 second auto circuit test for circuit conditions
- Load test to add circuits for total amp load

**MOUNTING:** hand truck with batteries, wall mount with power supply, service truck with batteries.

### ACCESSORIES:

- LITE-CHECK POWER SUPPLY 312R

### CONSTRUCTION:

- Steel enclosure with durable powder coat.
- High quality electronics and membrane switches.
- Made to high industrial standards in the USA for rugged use.

See videos and additional information on our web site [www.lite-check.com](http://www.lite-check.com).

**WARRANTY:** One year limited parts and labor. Repairs and service performed at LITE-CHECK, Spokane Washington.

**HOW TO ORDER:** Direct purchase from LITE-CHECK LLC with GSA terms.  
Call 1-800-343-8579 or 509-535-7512

**BOX CONTENTS:** **PRO-CHECK 724** with remote control and neck pouch, operating instructions.
